

Seminar of the Brutschy group

Time: weekly, on Wednesdays, 9:00 h

Location: Seminar room, 111

Dates, preliminary program:

- 24.11. André Staudte, Dörner group, Institut für Kernphysik
COLTRIMS meets lasers
- 01.12. Christoph Riehn
Terahertz Spectroscopy
- 08.12. Maksim Kunitski
Probing nano-particles in transparent media by laser techniques
- 15.12. Yevgeniy Nosenko
Charge transfer in molecular aggregates
- 12.01. Corina Hunger, Karas group, Institut für Pharmazeutische Chemie
RNA, DNA mass spectrometry
- 19.01. Nina Morgner
Dropje for dropje qualiteit
- 02.02. Frank Sobott, University of Oxford
Mass Spectrometry: from noble gases to the ribosom
- 09.02. Isam Rais, Karas group, Institut für Pharmazeutische Chemie
Mass spectrometry for proteomics
